

A clear mind does not replace hard work.

It helps hard work become available when it matters.

Mario Matović

MENTAL PERFORMANCE COACH

Performance psychology · team culture · pressure readiness

EXPERIENCE

Mental Performance Coach

2025

VPS · Vaasa, Finland

Designed and implemented a club-wide mental-performance framework across U17, Reserve, Women's, and First Team environments. Direct player and staff support: focus, confidence, injury response, resilience, pressure management, and performance communication.

Mental Performance Consultant

2023–2025

Independent practice · Slovenia

Delivered individualised performance support to athletes in football, tennis, sailing, and golf—strengthening focus, confidence, motivation, recovery, and performing under pressure.

Broadcast Power Engineer · FIFA World Cups

2018–2020

FIFA World Cup Russia · FIFA Women's World Cup France · High-performance international events

Coordinated engineering, logistics, production, and operations in FIFA World Cup environments—developing calm decision-making, situational awareness, and operational discipline under pressure.

Earlier Systems & Process Experience

2015–2019

Programmer · Web Programmer · Technical Intern · Europe — structured thinking, documentation, workflow design, and systems awareness.
