

MARIO MATOVIĆ
MENTAL PERFORMANCE COACH

PROFILE

Mental Performance Coach working at the intersection of elite performance, athlete development, team dynamics, and psychological readiness.

I translate psychological science into practical performance behaviours for players, coaches, and multidisciplinary teams — with a calm, evidence-based approach to pressure, recovery, and decision-making.

EXPERIENCE

Mental Performance Coach

2025

VPS · Finnish first-division football · Vaasa, Finland

- Designed and implemented the club's mental performance framework across U17, Reserve, Women's, and First Team environments.
- Worked directly with players on focus, confidence, injury response, competitive resilience, and pressure management.
- Supported coaching staff with performance communication, team identity alignment, and psychological preparation within training and match-day routines.

Mental Performance Consultant (Independent)

2023–2025

Independent practice · Slovenia

- Delivered performance-focused psychological support to athletes across football, tennis, sailing, and golf.
- Developed individualised work around focus, confidence, motivation, recovery, and performance under pressure.

Broadcast Power Engineer · High-Performance International Events

2018–2020

FIFA World Cup · Russia & FIFA Women's World Cup · France

- Coordinated with multidisciplinary teams across engineering, logistics, production, and operations in high-stakes international environments.
- Built operational discipline, situational awareness, and calm decision-making under pressure — experience directly relevant to elite sport cultures.

Systems & Process Background

2015–2019

Programmer · Web Programmer · Technical Intern · Europe

- Developed structured thinking, analytical rigor, documentation, workflow design, and systems awareness that support evidence-based intervention planning.

CLUB-RELEVANT EXPERTISE

Mental performance & competitive readiness

Team dynamics & performance culture

Psychological preparation & pressure management

Coach, player & management communication

Player focus, confidence & motivation

Stress, recovery & resilience

A clear mind does not replace hard work. It helps hard work become available when it matters.
